Ref: (a) CNI letter 11103/3376 25 Aug 2005

Encl: (1) FY-06 Desktop Chart of Accounts

- 1. The changes in this letter apply to all users of RAMCAS and SAP AIMS as applicable and are effective 1 October 2005.
- 2. VQ's general and administrative expenses will no longer be recorded to room type. This includes fixed asset depreciation. See reference (a) for specific information related to this change.
- 3. Locations dealing with foreign currency will record and pay Gratuities (204000) and Service Charges (205000) in US dollars. These entries should be processed through the ADP payroll system for payment and reflection on employees W2.
- 4. ACTIVITY/DEPARTMENT/ACCOUNT ADDITIONS, DELETIONS AND CHANGES

#### a. New Accounts

- (1) SAP 202012 Utilities Payable This liability account is used to record utilities provided by public works that have been accrued but unbilled. Pre-recorded amounts that qualify should be reclassified from 202000 to accurately reflect the utilities payable. This account is available to all MWR. SAP AIMS recurring entries are allowed.
- (2) SAP 202013 DFAS Payable This liability account is used to record amounts due to DFAS that have been accrued but unbilled. Pre-recorded amounts that qualify should be reclassified from 202000 to accurately reflect the DFAS

- payable. This account is available to all MWR and VQ. SAP AIMS recurring entries are allowed.
- (3) SAP 251003 Unearned Income Memberships This liability account is used to record and track memberships purchased at facilities such as clubs, golf and gym. As the membership is purchased, the account will be credited, using the assignment field to recognize and clear. Each month as the membership fee expires the account will be debited until cleared. This account is available to all MWR.
- (4) SAP 251005 Unearned Income CYMS This liability account is used to record and track CYMS deposits collected at childhood and youth activities. This account is available to all MWR.

## b. Account Changes

- (1) SAP 161001 Prepaid Minor Property VQ This account has been blocked for posting. History will remain in the account, however future expenditures should be coded to 165000.
- (2) SAP 686001 Minor Property VQ This account has been blocked for posting. History will remain in account, however future expenditures should be coded to 686000.
- (3) SAP 168001 Goods in Transit This account has been extended to VQ's.
